Related subject: Proposed merger of Over Alderley with Chelford

As a resident of Over Alderley I strongly object to the proposed merger of our parish with Chelford. My family and I have absolutely no affinity or connection to Chelford, we don't ever go there unless passing through on the way to somewhere else. By contrast we feel a real connection to Prestbury, we go there on a regular basis using the shops, restaurants and other amenities. Over Alderley has strong ties to Prestbury both historical and contemporary and it would be a great mistake to destroy these links against the wishes of the vast majority of the residents of Over Alderley.
