Firstly it makes sense to move the South Furzton Parish Council Ward into the new Milton Keynes City Council Ward of Furzton and out of the old Bletchley West MKCC Ward

Secondly it makes no sense whatsoever to rename the old MKCC "Shenley Brook End" Ward to "Furzton" especially as the name of the current "Tattenhoe Ward" is not being changed. As the name of the Parish that will be covered by the two MKCC Wards is "Shenley Brook End & Tattenhoe Parish Council", surely it would make more sense to keep the original name of "Shenley Brook End" so that the names of the two MKCC Wards added together form the name of the Parish Council as is presently the case. e.g. "Shenley Brook End" (MKCC Ward) & "Tattenhoe" (MKCC Ward) Parish Council

And thirdly, it makes no sense in any way shape or form to leave the electors of Furzton South & Emerson Valley South as part of the "Bletchley & Buckingham" Parliamentary Constituency. Were they will, even with the best intentions of the sitting MP, be a minor part of the electorate whose best interests are bound to differ from those of the rest of the Constituency due to their physical location. It would make far more sense for the the two Parish Council Wards to be moved across to the Milton Keynes Central Constituency where their best interests would be more aligned and better served.
