The Maidenbrook Ward of the Taunton Town Council once was part of Cheddon Fitzpaine Parish Council until Taunton Town Council decide to annex it 2023 and in the process rip up a community which has strong bonds. Any redrawing of the boundaries must consider that the Maidenbrook Ward be placed with Cheddon Fitzpaine and not Priorswood where there is not close connection.

Cheddon Fitzpaine, Maidenbrook and West Monkton also have close ties together due to Maidenbrook Country Park, a project started many years ago by Cheddon and West Monkton Parish Councils. 100's of volunteers from Maidenbrook volunteer through the year planting trees and maintaining the park.

In my view due to historical links, Maidenbrook, Cheddon Fitzpaine and West Monkton would be best suited together in a division/ward.
