Related subject: Skilgate Taunton And Dulverton & Exmoor

I live on Haddon Hill which is within the boundary of Exmoor National parks & all planning & associated actions are governed by ENP's. However my postal address is Skilgate a village some 2 miles+ away.& not part of the ENP's.

I am the only house on Haddon Hill & I try not to use Skilgate in my address. I wish to be within the Exmoor & Dulverton area. So any boundary changes should reflect this.
