Cheddon Fitzpaine Parish Council supports the proposal made by our neighbours, Kingston St. Mary Parish Council (KSMPC), in their 'Somerset Electoral Review Report' dated January 2025 that electoral boundaries in Somerset be based on Local Community Network (LCN) areas. We are in agreement with the reasoning and detail contained in the report.

In particular, we request that Hestercombe LCN, of which we and KSMPC are members, be divided into 4 Electoral Divisions by using parish and polling district boundaries.
