## Comment text:

Dear Sir/Madam

Please find attached a proposal for the Somerset Council LGBCE review submitted as the leader of the Liberal Democrats group at Somerset Council.

An alternative version of the Somerset Council submission for the review for the South area only is also attached, in this regard my members are especially concerned about the impact in the Chard area of the Somerset Council proposals and the changes here reflect these.

We would also highlight two further areas that my group members remain concerned about in the Somerset Council proposal which have been included in the addendum note to the Somerset proposal:

- 1 The West and North West Mendip areas do not reflect the local geography well
- 2 The Lydeard and Quantocks division. Our view is that the Quantocks area would fit better with the proposed Stogursey ward and the Stogumber area would fit better with Bishops Lydeard. This would better reflect the community identities and communication lines of these villages.

Take care

Bill
