

Milton Keynes

Personal Details:

Name: Mr Dan Preston

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Walton Community Council (Representative of parish/town council)

Comment text:

Related subject: Proposed Walnut Tree Ward.

Walton Community Council would like to make the following requests / observations on the draft proposals.

For the proposed Walnut Tree Ward.

1. Split the Ward boundary along Ortensia Drive, putting new houses to the east of Ortensia Drive in the Wavendon Ward.
2. From Walton Road on the proposed boundary between Walnut Tree and Wavendon Ward, add the land to the south and east of the proposed border which is the site of the Church Farm development to the proposed Walnut Tree Ward.

I have attached a map of these proposals. On the map the area to be removed is hatched in black and the area to be added is in Orange.

I also attach a site location plan for Church Farm to show accurately the extent of the of the site which we would like to add to the proposed Ward.

We will be requesting the same changes for Parish Boundaries in the Local Governance Review Consultation currently taking place.

3. The name of the Ward should be changed to Walton, rather than Walnut Tree.
