It would be really useful for the wards to align with the integrated care communities in Carlisle <https://www.primarycarenorthcumbria.co.uk/about-us/integrated-care-communities-iccs>. Last time you also made a decision to move Currock community centre out of currock and into Upperby and to extend currock over to greystone road area. this was wrong and has been an issue locally with people not recognising currock. this needs rectified in the review.
