Related subject: Willen

Looking at the map it is fairly obvious that Willen is more of a dog-leg area to Campbell Park area with little in common with many of the other Estates in the Ward (e.g. Fishermead, Springfield) and, as such, probably has very different needs. It is noted that when the Campbell Park Parish Council magazine comes through the door that Willen is barely mentioned - all the emphasis seems to be on the rest of the Ward that forms a "block" to the South. Willen used to be in Great Linford Ward and was well served - looking at the map it would make more sense to me to remove Willen from Campbell Park and add it to the Great Linford which is a more similar area with, I might suggest, the same needs/difficulties/benefits and seems much nearer to where I live than does, for example, Fishermead, many grid squares away and more urban.
