Keep Bradville related to Stantonbury parish council. As the way you have it moving away from this parish to join with a parish that can take 15 minutes to get to the other side means local parish events and support will not be available to our community. It's ridiculous where you have Bradville moved too. Also the money for rebranding our community support and buildings will be a waste of parish money. It could go to building or upgrading the play parks in Bradville. Your costing for rebranding in Bradville alone is going to be £10,000 est. be logical please!
