This is a bad decision. Our communitys are completely different. Most of bradville Oakridge stantonbiry gather multiple times a yr in our parish . I have 3 disabled children and don't drive . I could not possibly get that far / transport is very expensive. Children from our area are used to the places and people. your going to unsettled many familys and there children feeling safe. (Have you considered all the adults but mainly children's additional needs and non nerotypical needs . You be putting them in a unsafe place and filled with strangers. None of us we be doing anything ?
