I don't think the Ladgate Woods and Orchid Gardens estates should be included with Marton Manor in being incorporated into Marton West. These estates have no association with Marton Manor or Marton West. These estates are in the catchment for Sunnyside Primary school and are not in the catchment for Marton Manor school as has been previously stated. Furthermore, the secondary school catchment for Ladgate Woods and Orchid Gardens is Acklam Grange which puts it at odds with Marton Manor whose secondary school is Kings Academy, the same as the rest of Marton West. There is no direct link or short cut between these 2 estates to Marton Manor to join these communities, as Marton West Beck and woods act as a physical boundary. I believe it would be more appropriate for Ladgate Woods and Orchid Gardens to be included with Acklam.
