Related subject: Nunthorpe/Marton West boundary

I feel strongly that the whole new build estate should be looked after by the same councillors. It is not yet adopted and there will be many issues regarding roads, public bins, access, PRW etc and will be difficult for 2 sets of councillors to manage. My back garden boundary is on the line where we are in MW and the neighbours are in Nunthorpe. If the spread of councillors is too thin in Nunthorpe then move a MW councillor to fill the gap.
