Request Change of Ward

In order to gain better Councillor representation I would recommend and support my area of Stainsby Grange ([REDACTED]) to move to Ayresome ward which is closer than Trimdon Ward. I have lived and ran my horse riding business here for over 30 years and I feel we do not get any councillor support or direct information from Middlesbrough Council. We have never had any contact with Trimdon and Councillor Jackie Young is very active in her ward keeping residents up to date on council business and I feel I would be better served by moving to Ayresome. I have to drive through Ayresome ward to get to Trimdon ward where the polling stations are, this doesn't make sense.

Would welcome the move which I know will bring benefits.
