With respect to the previous review the then Boundary Commission accepted that Richmond should not be divided. Many issues affect the whole town e.g. Road traffic. I worry that an elected Councillor whose division includes the current North ward will neglect it as he/she will see the rest of the division as more important. If the town is divided the cllr taking in North ward will have other parish mtgs to attend. I cannot support Option A as Richmond East ward will have little in common with Skeeby and nothing in common with Brough St Giles on the other side of the river Swale. I much prefer Option B, though I would prefer much less of North ward to be excluded.
