These proposals are insane! The Tory controlled North Yorkshire Council want to reduce the number of councillors by 1 (which happens to be a traditionally Labour held seat) and what a surprise the the Boundary Commission are more than happy help Gerrymander a continuation of Tory control of North Yorkshire.

I suggest that the Boundary Commission should simply rename itself the Conservative Party Gerrymandering Department.

This proposal is an utter disgrace which is clearly politically motivated and just goes to prove that the Boundary Commission are a corrupt organisation that is in the pocket of the Tory Scum!
