I was previously unaware of the proposed reorganisation. I am pleased that the total number of councillors sitting on the council will remain similar compared with previous arrangements. As a resident of Boroughbridge I strongly support combining the districts of Boroughbridge, Langthorpe and Kirby Hill, along with outlying villages, into a single unit. Historically the existence of the River Ure has served as a justification for separation and leads locally to lack of full cooperation between the parishes. Although the local rivalry will not disappear with changes to the County Council boundaries, dismantling one of the barriers to policy development in the common interest should be beneficial in the longer term.
