**Related subject:** Staynor Hall, Selby

What is proposed puts Staynor Hall in the new Barlby & Osgodby ward and not as part of Selby East which makes zero sense and will be detrimental for residents not having a local councillor advocating for them.

Using this area to make up the numbers elsewhere really isn't any way to treat residents who need local representation and support as part of a cohesive ward paired with other areas nearby where local issues are linked.
