**Related subject:** Rylstone

I cannot believe that you are considering moving Rylstone away from its historical roots of Wharfedale. I have lived in Rylstone for over 40 years and have always considered myself to be a resident in Wharfedale. All our social activities from school age to the elderly are centred around Wharfedale and not Gargrave and the west of Craven. I sincerely hope that you reconsider your proposal to remove Rylstone from Wharfedale and leave it where it has been for as long as I can remember.
