**Related subject:** Ripon City

Clotherholme Barracks area to Fountains Ward makes no sense. The entire base for the service & structure of the future development of this area directly affects the working of the city. This includes

- (1) Service Roads. This includes links to the existing East bye pass , both to the North & South.
- (2) Primary & Secondry Education
- (3) Medical/Health Services  
(General Medicine & Dental)
- (4) Water & Sewage provision.

Every single one of these service aspects will have a massively more profound affect on the city, as opposed to any proposed rural district.
