Dear Sir/Madam,

We live in Rylstone and feel very strongly against the proposal to move our villages into Mid Craven.

All of our facilities, including schools, sporting venues, bus services , shops and many more services, fall within the Wharfedale district.

We are in the National Park boundary and not at all associated with the Villages/Towns in the Mid Craven district.

Can you please let me know the reasoning behind your proposed changes. If it's down to the number of residents, we understand that the changes will have no effect on the criteria set down ?

We are all very proud of our community and how we interact between our villages and Threshfield/ Grassington and do not want this to be effected in any way.

Please reconsider your proposal, it just doesn't make sense to split us up from our neighbouring communities.

Yours

[REDACTED]
