The proposals for new boundaries take 3 of our existing group parishes (Kirby Hill & District PC incorporating Ellenthorpe, Humberton, Thornton Bridge, Milby & Kirby Hill) into the proposed Dishforth & Dalton Division leaving Kirby Hill & Milby parishes in the proposed Boroughbridge division. This scenario would present complications whereby we as a parish council would be represented by 2 different County Councillors. We would prefer the parishes of Ellenthorpe, Humberton and Thornton Bridge (the electorate is somewhere between 60 & 70 for these combined 3 parishes) to be included in the proposed Boroughbridge division.
