Comment text:

We are a combined parish council representing 3 villages - Copt Hewick, Bridge Hewick and Hutton Conyers. Under the new proposal the first two have been placed in Dalton and Dishforth and Hutton Conyers has been placed in Ripon Ure Canal. All three villages have an HG postcode and it would appear to make sense for Copt Hewick and Bridge Hewick to be moved into the Ripon area so that the full parish is in one district. Thankyou, Parish Clerk
