## Comment text:

**Related subject:** Sedbergh and Kirkby Lonsdale Ward - proposed changes

Members of the Council had noted recent proposals which included splitting Sedbergh and Kirkby Lonsdale Ward. With one suggestion being to place Sedbergh with Tebay (two member ward). Or, it was understood there was another proposal that would see Sedbergh, Dent and Garsdale placed together as a one member ward.

Members resolved that their preference is for Sedbergh, Dent and Garsdale to be a one Member Ward. In that there is no existing geographical links with Tebay. And, that a one Member ward for just Sedbergh, Dent and Garsdale might give an increased possibility of a resident, living within the community, representing the area.
