

# Westmorland and Furness

## Personal Details:

**Name:** Mr Jack Smith

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Lindal and Marton Parish Council (Representative of parish/town council)

## Comment text:

**Related subject:** Lindal and Low Furness

The Lindal and Marton Parish Council met on Thursday, 3 April 2025 and discussed the proposed electoral boundaries and it was unanimous in its objections to the assigning of the parish into Low Furness. It has always been linked to Dalton, within the Dalton North ward and also because of its social and economic links to that adjacent town. The existing district councilors, parish councilors and the local community all know each other and work well together and removing this link would be a detrimental move. We most strongly urge a revision of the proposed changes to ensure that Lindal and Marton remains linked to Dalton, in whatever form.
