

Westmorland and Furness

Personal Details:

Name: Mr William Huck
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: Burneside Parish Council (Parish or town councillor)

Comment text:

Related subject: Upper Kent- Burneside Parish Council is made up of the Strickland Ketel and Strickland Roger parishes.

Burneside Parish Council appreciates our response has been taken into account and that our parishes have remained together, along with other neighbouring rural parishes in the proposals. We also support that no change has been made in terms of our boundary with Kendal, especially given that no planning permission has been approved for any proposed development within our green gap.
