Related subject: Kendal South - Stainton

"I wish to have my say regarding proposed boundary changes for Stainton Parish I am Unable to navigate the Westmorland & Furness designated link Have tried several ways !

I wish to stay with South Kendal Ward which would also contain Sedgwick and Preston Richard with whom we have strong community identity . Please note We have no identity with Levens or Heversham I also wish to continue receiving the excellent support and updates at our Stainton Parish Council meetings from Councillor Jonathan Brook and also from Councillor Doug Rathbone. At its last meeting both Councillors attended and contributed to a very informative discussion regarding going forward and proposed boundary changes .

Please record my comments in the W&FC consultation proposals which I have tried several ways to access (unsuccessfully) Kind Regards"
