Put Currock back to its normal place with Upperby. Put Currock community centre back in Currock! It makes no sense for Currock to extend to where Greystone Community Centre is.

I would like to see Raffles better recognised and not lumped in with Belle View. In my view this was a way of hiding deprivation. In my work it's difficult to make the case for Raffles when it's not showing up in ward stats. It shows up in LSOA stats but not ward stats.

Give Harraby back to Harraby! Botcherby doesn't belong in Harraby.

And having been a councillor for Castle which is a bizarre ward of two halves and taking in a bit of Denton Holme too, please have a look at this. The area that is around the hospital and Wigton Road has absolutely no affiliation with the city centre area or the historic houses around Warwick Road. This ward needs splitting.

But all in all PLEASE use the LSOAs to build the wards, don't split the LSOAs it makes things difficult for us that have to work with stats.
