Comment text:

Related subject: Carlisle - Cumberland

In relation to the current rewarding of Cumberland Council. Ideally you might consider abolishing it, as it is a waste of money.

However failing that - is possible to be placed with Brampton going forward as that is our nearest town, with all the things we need such as a Dr and community centre. I very rarely go to Carlisle and sharing a ward that goes up to suburbs of Carlisle isn't helpful to the needs of this village

Yours sincerely
