### Currently there are:

- 110 councillors
- 55 divisions
- 2 councillors per division

379 residents and organisations  
helped shape our recommendations

We aim to make sure Somerset  
councillors represent a similar  
number of electors

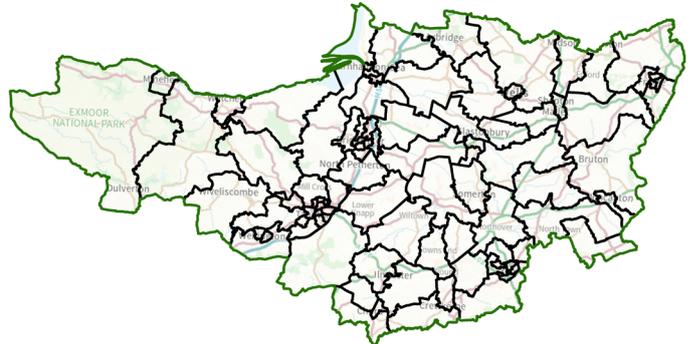

### Currently there are:

- 12 divisions that are more than 10% away from the average number of electors per division
- No divisions that are more than 30% away from the average number of electors per division

### From elections in 2027:

- 96 councillors
- 93 divisions
- 90 single-councillor divisions and three two-councillor divisions

### Somerset will move towards:

- 2 divisions being more than 10% away from the average number of electors per division
- Each councillor representing an average of 4,867 electors
