**Organisation Name:** Credenhill Parish Council (Representative of parish/town council)

## Comment text:

We would like to take this opportunity to make some slight changes to the boundaries where they currently either do not follow a natural feature on the landscape and to move 8 properties into Stretton Sugwas (as they naturally feel like they belong in that Parish and move 2 from Stretton Sugwas to Credenhill. See attached suggested changes.

These changes were approved at the December 2025 parish council meeting.
