I'm not sure if this is the right place to say this but it makes no sense to the people of Hurworth who's council is Darlington that we can't vote for our local MP or have a say on local issues such as SEN support in our town. We were not allowed to attend Lola McEvoy's meeting about SEN needs in Darlington because we vote for Stocktons MP even though our schools are part of Darlington. I think though this may not be what this is about.
