## Comment text:

**Related subject:** Hurworth

Hurworth is in a country parish, and the issues which it faces are often different from a town parish, as are the priorities. I therefore recommend reducing the size of the Hurworth parish by using the A66 ring road as a boundary, and in so doing allow the parish to drop from 2 councillors to 1. This will help the borough meet the reductions it seeks, while keeping the focus of our councillor on country parish issues
