Sainsbury's on Victoria Rd is our main shopping food provider.
We use to go for a walk around the river skerne, especially the river skerne weird.
Unfortunately it becomes worse with anti social behaviour.
Skerne park is a nice place to walk, run and play. However some lampposts could help to avoid the dark walkthrought especially during short days in winter.
Antisocial crime get more than usual.
The local community school isn't as well looked after. We moved from there.
I personally found two stolen package between September and Christmas time. Young lad did the crime.
We feel unsafe to walk around with these flags on lampposts.
The time changed not to better but it's getting worse.
