Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

If my understanding is correct, there are 47 councillors per ward. Why?. This seems excessive and I would be very interested to know how this is broken down by responsibility. The reason for the potential boundary changes are also not at all clear, I have little to no information as to the benefits or otherwise, if people are to make a decision it needs to be clear.
